

Evaluation of Mountain Pine Beetle Program Management Response and Action Plan June 20, 2011

Recommendation	Action Plan	Responsibility	Expected Completion Date
<p>The department should develop a template for the design and delivery of these programs that is built on past lessons learned and best practices but is flexible in accommodating the unique needs of each issue, region and program.</p>	<p>Management currently produces a summary of lessons learned and best practices related to the design, delivery and performance of time-limited programs such as the Mountain Pine Beetle CEDI and the recent Economic Action Plan programming. Policy and Strategic Direction will develop a template that outlines a process and identifies issues to be considered when designing and delivering new programs.</p>	<p>ADM Policy and Strategic Direction</p>	<p>March 31, 2012</p>
